- to comply with the law regarding data sharing

Collecting pupil information

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain pupil information to us or if you have a choice in this.

What are the legal reasons for us to process your personal information?

We are required to process personal information in accordance with data protection legislation and only do so when the law allows us to. The lawful reasons we have for processing personal information are as follows:

1) To comply with the law

We collect and use general purpose pupil information in order to meet certain legal requirements and legal obligations placed upon the school by law. We therefore are required to process this personal information for such purposes even if you have not consented to us doing so.

Details of the type of processing that we must undertake, the personal data that is processed, the legislation which requires us to do so and who we may share this information with is set out in Table 1.

If you would like a copy of or further information regarding the statutory authorities that underpin our legal obligations, you should contact the school in writing.

2) To protect someone's vital interests

We are able to process personal information when there is an emergency and/or where a person's life is in danger.

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 2.

3) With the consent of the individual to whom that information 'belongs'

Whilst much of the personal information processed is in accordance with a legal requirement, there is some personal information that we can only process when we have your consent to do so. In these circumstances, we will provide you with specific and explicit information regarding the reasons the data is being collected and how the data will be used.

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 3.

4) To perform a public task

It is a day-to-day function of the school to ensure that children receive the education and support they require. Much of this work is not set out directly in any legislation but it is deemed to be necessary in order to ensure that pupils are properly educated and supported

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 4.

Please be aware that an individual has the right to object to any processing where it is likely to cause or is causing harm or distress. To exercise this right, individuals should do so by contacting the school to inform them of their reasons for the objection. These reasons should relate to your specific circumstances. Upon receipt of an objection, the school will consider the reasons for the objection and balance this against the legitimate grounds to process data.

5) We have a legitimate interest

Occasionally we have reasons to process information which fall outside of our usual day-to-day school functions. Details of the type of processing that we may undertake on this basis are set out in Table 5.

Please be aware that an individual has the right to object to any processing where it is likely to cause or is causing harm or distress. To exercise this right, individuals should do so by contacting the school to inform them of their reasons for the objection. These reasons should relate to your specific circumstances. Upon receipt of an objection, the school will consider the reasons for the objection and balance this against the legitimate grounds to process data.

Special category personal information

In order to process 'special category' data, we must be able to demonstrate how the law allows us to do so. In addition to the lawful reasons above, we must also be satisfied that ONE of the following additional lawful reasons applies:
