### Friends of Loxley School (FOLS)

#### Mission Statement

*Updated October 2019*

FOLS aims to encourage good relations between staff, parents and others associated with the school, in order to support the school and to advance the education of the pupils in it.

#### The objectives of FOLS are:

- 1) To organise fundraising activities to assist in the provision of facilities for education at the school (*not normally provided by the Local Education Authority*)
- 2) To involve as many people as possible and to make the activities fun for all!

#### How we spend the money we raise...

Usually, our Head of School will have a consultation with the children and staff to discuss items or activities that the school would like the FOLS to consider funding, such as resources to improve a particular area of the curriculum, enrichment opportunities or enhancements to the school environment.

FOLS funds are spent on the 'extras' that are not provided by the school's budget, thus making our children's learning experiences so much more fulfilling and exciting.

We always endeavour to spend our funds in ways that will benefit *all* our children, across all areas of the school and curriculum.

There will be times when we need to fundraise for a large project in the future, but we usually spend the money we raise fairly quickly. That way, you can be sure that in supporting our school, your child/ren will feel the benefit, along with everybody else.

Thanks to all who assist in, and support, our hard work.
