Our Vision for PE and Sport at Loxley Primary School

PE and sport at Loxley brings our school vision—**"I have set you an example that you should do as I have done"**—to life. Through physical activity, children are encouraged to set a good example for themselves and others, aim high in their personal achievements, show courage when trying new skills, and support one another through teamwork and fair play. In this way, PE helps children develop not only physical skills but also character, resilience, and the confidence to lead active, healthy lives.

Our school values are embedded throughout PE and sport: children learn **respect** for themselves and others, develop a sense of **community**, practise **forgiveness** when mistakes happen, hold onto **hope** to keep improving, demonstrate **perseverance** when faced with challenges, and build **trust** in themselves and their peers.

Through a broad and inclusive PE curriculum, we aim to foster lifelong healthy habits, a love of physical activity, and the confidence to lead active lives beyond school.

What is the PE and Sport Premium?

The PE and Sport Premium is government funding provided to primary schools to improve the quality of PE, physical activity, and sport. The aim of the funding is to ensure that all children develop healthy lifestyles, experience a wide range of sports, and gain the skills and confidence to participate in physical activity both during and beyond the school day. At Loxley, we use the PE and Sport Premium to enhance our PE provision through investment in high-quality teaching, specialist coaching, resources, extra-curricular clubs, competitive opportunities, and initiatives designed to promote active play and wellbeing. The funding also supports the development of sustainable improvements so that the benefits for pupils continue well beyond the current year.

Key Achievements to Date

- **Expanded access to a wide variety of competitive and inclusive sports events**, including athletics, dodgeball, and archery.
- **Supported participation in extra-curricular opportunities and competitions**, including top-up swimming lessons for pupils needing additional assistance, and provision of specialist equipment and resources for children with SEND.
- **Enhanced opportunities for girls**, through specialist-focused activities, access to competitions, and provision of specialist equipment and resources.
- **Subsidised sport and physical activity clubs** to ensure access for disadvantaged pupils.
- **Improved pupil outcomes and engagement in PE and sport**, including:
 - Increased attainment in PE
 - Higher levels of physical activity among pupils
 - Greater participation in school sport and extra-curricular activities
 - Increased involvement of staff in extra-curricular clubs and school sports competitions
 - Improved attainment in swimming and water safety

Total funding received £16,340.00 and How it was Spent

Providing children with the opportunities to learn and practice the skills that they need to participate in PE lessons and competitions. These dedicated skill workshops have successfully built children's resilience, confidence and the ability to work with others. **£1497.00**

Providing targeted activities or support to involve and encourage the least active children. **£1580.00**

For every year group, consider team and individual sports, and physical activities which reinforce and complement the children's development in PE. Ensure there is coverage of multiple invasion games, striking and fielding games, net/wall games, athletics, gymnastics and dance as well as outdoor adventure activity **£3580.00**

Providing continued professional development (CPD) for all staff (as outlined previously) **£1246.80**

Providing top-up swimming and water safety lessons for those pupils that do not meet national curriculum requirements after they have completed core swimming and water safety lessons **£1153.44**

Providing specialist support to help children with additional needs to access and participate fully in PE lessons **£6922.36**

Entering local school competitions and holding inter-house competitions in the school to encourage participation **£360.80**
